Subject: Recognition of Burien gov't employee support

I would like to express our thanks for efforts by Jim Bibby, Code Enforcement, and Sgt Henry McLauchlan, Burien PD, for providing support to a neighborhood meeting we recently held to discuss some unfortunate events that have been occurring on Maplewild Ave. Our meeting was held Monday night @ 7:00 PM, certainly well beyond normal working hours.

Jim and Henry both provided status, process information, recommendations, and responded to questions regarding an eviction of a residence that has been the source of numerous problems, including thefts and assaults, in our neighborhood. Their efforts are highly appreciated and a great example of support to the community.

Sincerely
Andy Ryan
