Marv: Thank you for your e-mail. Yes, the Highline Times is in error. Ordinance 533 has many zoning-related provisions related to North Highline. One was the prohibition of adult entertainment in the area. Please let me know if you have any further questions.

Thanks,

Dear Council,

After watching the council meeting of Feb 1, 2010, my wife and I were both surprised to read the headlines in a recent Highline Times article announcing that Adult Entertainment had been approved in North Highline along 16th SW. We had a very different impression from watching that meeting.

Today I spent considerable time rerunning the video of the meeting and reading the agenda bill. I am pretty sure the Times has it wrong and wonder if council will take steps to have them correct the report? Or do I still not understand the ordinance? My read is that Adult Entertainment is **excluded** from CC-2 along 16th SW.

Mr. Keith Daigle in his report in the Feb 12 issue of the Times makes two erroneous statements in my opinion. First he says "The new zoning code will **restrict** adult entertainment to between SW 112th Street and SW 116th Street along

CFTR: 02/22/10

either side of 16th Ave. SW." and secondly, " The council expressed concern about zoning allowing adult entertainment, agreeing to the **compromise of keeping it contained to a small area along 16th Ave.**" Admittedly the ordinance language uses the words "with the exception" that I read as an exclusion not a compromised inclusion. (The bolding above is mine.)

I have spoken to many neighbors about this and there is grave concern because of the Highline Times article and front page headline. Please let us know if we are in error or the paper is.

Thank You,
