Dear Ms. Vannier:

Thank you for writing to the Burien City Council. Your correspondence to the Council members, received on April 2, 2010, has been referred to me for response.

It appears that you have seen or heard misinformation regarding an adult entertainment business in the newly-annexed area of Burien. I have been advised by the City's Community Development staff that the Burien City Council has not voted to allow adult entertainment within the annexed area of the City. The Council's action on this zoning matter was incorrectly reported in the news. The Council has not approved the location of any adult entertainment business anywhere within the City's borders, including the recently annexed area.

Thank you for taking the time to write to the Burien City Council. If there are any questions about this or other zoning matters, please contact the Community Development Department at 206-248-5510.

Sincerely,

Lisa Clausen

Dear Council Members,

Your maneuver to stick the newest annexed area with a NIMBY project on the same day we officially become annexed to Burien was an amazing April Fool's Day joke. Unfortunately, It isn't a joke, is it? Instead, a questionable business will probably be sited in the midst of a residential neighborhood within a half-mile of three schools and a library patronized by young people. We don't need an adult entertainment business here.

I am really disappointed it was voted on and passed with no warning or input from the neighbors. A clever maneuver comes across as a sneaky move. I'm sorry I cannot take back my vote to join you.

Sincerely, *Barbara Vannier*
