Subject: proposed Shoreline Master Program update

I am sending this to request that the City Council seek public comment for at least 90 days and conduct at least three open public forums on the Shoreline Master Program update.

I strongly disagree with a non-conforming designation being placed on my home and wish to avoid the significant problems caused by this designation regarding increases in restrictions and costs for renovations and repair, the loss of property value, and difficulty in selling.

I request that you leave existing structures in their current designation of "conforming" and that you not restrict and compromise my property boundaries with new setbacks or buffer zones.

Signed

Richard W. Roberts (M.D.)
