Dear Mr. Martin,

I am writing to congratulate the City of Burien, on its successful annexation of the North Highline Area.

As you know the District Court has served as the court of limited jurisdiction for the citizens of North Highline and the City of Burien. The court services we currently provide to North Highline residents will continue unaffected by the annexation, and we anticipate a smooth transition in serving your city's new population.

We look forward to continuing our partnership with the City of Burien in the years to come. If you have any questions, please contact Heather Dean at 206-296-3562.

Sincerely,

Barbara Linde

Dear Neighbor,

As you may be aware, King County Fire Protection District # 2 - Burien/Normandy Park Fire Department will soon begin construction of a new headquarters fire station in your neighborhood. Previously the home of Burien Memorial Chapel and located at 900 SW 146th St, the new facility will replace the current headquarters station.

On behalf of the Board of Commissioners, please accept an invitation to attend the Board's regular scheduled meeting at 5:00 PM, Tuesday May 4th at the current headquarters location, 15100 8th Ave SW. The agenda will include time for public comment and the Board encourages your ideas, concerns and comments regarding the new facility. We consider this a valuable opportunity to hear from our neighbors, resulting in a station design that exhibits both compatibility and a source of pride to the neighborhood.

If you prefer, written comments may be submitted to the District prior to the meeting. Please submit written comments no later than Friday, April 30th for inclusion in the meeting agenda and information packet.

Please feel free to contact me if you need any further information.

Sincerely,

Mike Marrs, Fire Chief
