Subject: proposed Shoreline Master Program update

I am sending this to insist that the City Council seek public comment for at least 90 days, conduct at least three open public forums on, and support changes to the current Shoreline Master Program update.

I strongly disagree with a non-conforming designation being placed on my home and wish to avoid the significant problems caused by this designation regarding increases in restrictions and costs for renovations and repair, the loss of property value, and difficulty in selling.

I request that you leave existing structures in their current designation of "conforming" and that you not restrict and compromise my property boundaries with new setbacks or buffer zones.

Signed
