CITY OF BURIEN

Subject: proposed Shoreline Master Program update

I am sending this to insist that the City Council facilitate public comment for at least 180 days, conduct at least three public hearings on, and support changes to the current Shoreline Master Program update.

I strongly disagree with the non-conforming designation that has been placed on my home and wish to avoid the significant problems caused by this designation regarding increases in restrictions and costs for renovations and repair, the loss of property value, and difficulty of sale.

I insist that you leave existing structures in their current designation of "conforming" and that you do not introduce any new setbacks or buffer zones.

Signed
(Mrs) Charlotte E. Mahlik
William Mahlik
