city council meeting

Written Public Comments for ~~Public Hearing~~ of July 19, 2010

For those who do not wish to speak, but would like to make comments, please use this sheet. Your comments will be summarized and become part of the permanent record for this Council meeting. You may leave your completed sheet with the City Clerk. Thank you.

According to the DDE, the most up to date research should be used to make decisions. Currently the EIS was done in 1997. This is not current.

Before any discussions and decisions are made about public access to Lake Burien or Tree Point, the EIS needs to be updated.

Please let the public know when the EIS will be updated. Thank you.
