PURPOSE/REQUIRED ACTION: The purpose of this agenda item is for Council to consider proposed Resolution No. 314, establishing a date and time for a public hearing to receive comments regarding the 2011-2016 six-year Transportation Improvement Program (TIP).		
BACKGROUND (Include prior Council action & discussion): The primary importance of the Six (6) Year Transportation Improvement Program (TIP) is that, in most cases, local projects must be included in the TIP to be eligible for state and federal grant programs. The Six (6) Year Transportation Improvement Program (TIP) is a short-range planning document that is annually updated based on the needs and policies identified through a variety of sources. Project and financial development involve interactions with many groups and agencies at the local, regional, state, and federal levels. It represents Buriens current list of needed projects that may begin work in the next six (6) years.		
<u>Mandated by State Law</u> State Law requires that each city develop a local TIP and that it be updated annually (RCW 35.77.010). In order for cities to compete for transportation funding grants from Federal and State sources most granting agencies require that projects be included in the TIP document.		
OPTIONS (Including fiscal impacts): 1. Approve proposed Resolution No. 314. 2. Delay adoption of proposed resolution No 314, resulting in rescheduling of the public hearing. 3. Do not approve proposed Resolution No. 314 resulting in some granting agencies to not consider Burien projects for potential grant funding.		
Administrative Recommendation: Approve proposed Resolution No. 314.		
Committee Recommendation: N/A		
Advisory Board Recommendation: N/A		
Suggested Motion: Move to approve Resolution No. 314, establishing a date and time for a public hearing to receive comments on the 2011-2016 Six-Year Transportation Improvement Program.
