

CITY OF BURIEN, WASHINGTON

Written Public Comments For Meeting Of 8/16/2010

For those who do not wish to speak, but would like to make comments, please use this sheet. Your comments will be summarized and become part of the permanent record for this Council meeting. You may leave your completed sheet with the City Clerk. Thank you.

The State Shoreline Management Act (SMA) specifically references any public access to shorelines from lands that are publicly owned.

However, the City of Burien is currently choosing to ignore the state requirements and has intentionally removed "publicly" from the SMP with the intent to promote public access from both privately and publically owned lands.

This purposeful move has also put the city at odds with the SMA requirement to protect private property rights.
