Subject: Fireworks

I have a relative that lives in a small un-incorporated area of Burien. 29th PL. SW. 98146
Every year my relative states it is a war zone the week of the 4th.
My relative has 2 dogs that panic with all the noise for that week.
My relative medicates them, but yesterday, my relative had to take the dogs to an ER vet for full medication overnight to keep them safe for the night of the 4th.
My relative stated that many-many dogs and cats were taken to that vet, lost, scared for the night.
I told my relative to call the police, but stated they could do nothing as that area is un-incorporated.
It would seem to me that, ALL area's around Seattle would BAN fireworks PERIOD!
Any calls of complaints should be addressed immediately, and arrests should be made.
2 homes burnt down in Kent, FIREWORKS they believe is the culprit.
Port Angeles, a restaurant burned to the ground, they believe FIREWORKS.
The stress to animals is even more frightening!
Therefore Burien council BAN FIREWORKS with consequences!!!!
Thank-you, Deborah Marlott
