**Subject:** Your Input in Superintendent Search

As you know, Highline Public Schools has initiated a search for a new superintendent. Because you are a leader in our community, we want to give you an opportunity to be part of this process.

An early step in the process is to identify the characteristics our community wants the new superintendent to possess. You are invited to share your ideas at a forum of civic, business, and government leaders. Your input will inform the school board in its selection of candidates. The forum will be facilitated by a representative of the consulting firm assisting the school board in the search process.

**The forum will be held on Monday, September 26, 8:00-9:00 a.m. at the school district central office (15675 Ambaum Blvd SW in Burien).**

If you have questions, please contact me. Thank you for lending your expertise and insight to this important task.
